

Admiral Newsletter

Welcome to a new school year and a very warm welcome to our new children and families. The children have settled in well and are demonstrating their good learning, perseverance and manners.

Topics and learning

Our first topic is World War II, a significant turning point in British history. After half term, we will then be moving onto our rivers and mountains topic, which will focus on developing geographical knowledge.

On the 28th – 29th September we will be visiting Springhead where we will enjoy the facilities and gardens as well as the local Dorset countryside. Please check the Springhead parent page on the website for more information. If you have further questions, we will have a zoom meeting on Monday 20th September 2021 at 3.30pm to provide more information. A link will be sent closer to the time.

You can follow our learning highlights on our class blog at <https://3lxyear3.wordpress.com>. Each Friday, a home learning task will go on the class blog. This will usually be an active task to reinforce and consolidate learning, often involving discussion and practical challenges, designed to be easily carried out within your home environment. The children will also bring home a reading book to share with you and it would be great if you could write a comment in their blue reading record. All children will read with adults in school on an individual basis at least weekly.

Be prepared

The children will enjoy a wide range of fun and exciting learning opportunities, both indoors and outdoors. As the weather changes, please ensure your child has a named waterproof coat, waterproof trousers, and wellington boots in school ready to continue enjoying our range of outdoor learning areas each day. We will also have two sessions of PE weekly which will take place outside. As the weather becomes cold, children can bring in jogging bottoms and tops to wear over their PE kits. Please make sure that these are clearly labelled and that the children have appropriate footwear to change into.

Thank you.

Harvest assembly

We would like to invite you to join us on **Wednesday 22nd September at 9am** for a short harvest assembly to share a little of our learning with you. Please do not attend if you have COVID symptoms and please wear a face covering to protect yourself and others. The children will sing a song and share some learning, for no more than 10 minutes, in individual classes. We will be limited on space, so please no more than two parents/carers per child.

Contact

If you have any questions or concerns, please feel free to contact me on my school email address: r.cox@3lxschool.com. To report school absences, please telephone the school office on 01202 822460 or via email: office@3lxschool.com. Please access the school website for up-to-date details of school events. Log onto www.3lxschool.com and click on the calendar.

Paper copies of newsletters are available if requested via the office.
